

# UMPQUA ENERGY EXCHANGE (UEX) 2013

## Program Overview...

**Don't Miss** this informative energy efficiency program designed to include walk-throughs of recently retrofit business buildings.

Calculate the return-on-investment for *your* home and/or business building (including incentives and rebates).

Local experts share necessary retrofitting steps, provide resources, and offer educational displays.

Oregon Department of Energy guests speak about Oregon's 10-year energy proposal. Explore how your input can affect legislation.
